STAT

Dear Don:

Thanks for your letter of 25 June regarding the 21 September reunion. As always, I wish you the best for a successful and enjoyable get-together. We are putting a notice about the reunion in our next internal NEWSLETTER. Perhaps some of our current employees will want to take advantage and attend your reunion.

I regret that I will not be able to join you. FBIS is very busy at this time, with an extensive (and expensive) modernization program. We get very much tied up with budgetary meetings in September and October so I really can't afford to be away. But please extend my best wishes to all who are there.

Keep up the good work.

Best regards,
